

Clutter

Wayne Osborn

As our lives go on
we accumulate knowledge

...and things

Throughout our journey
our possessions multiply

Everywhere I look
something is there

...taking up space

Not just furniture...

What a pleasant surprise
it would be to find .

...an empty mailbox

A paperless society
Wouldn't that be nice?

Solving the problem
of clutter

Just checked the email

Not really...

too many listserves

...112 new messages
