First, we'll need to verify your identity
Please answer those hastily-chosen
Security questions you picked six years ago:

1. Who was your first grade teacher?
2. Who was your first grade teacher's first grade teacher?
3. What even are cats, anyway?
4. Why were you born?
5. Is Goldbach's conjecture correct?

Your answers have (shockingly), been accepted.
Please choose a new password:

Sorry, not enough characters. Please choose a new password:

Sorry, too many characters. Please choose a new password:

Sorry, your password must include:

- Two digits
- 1 Capital Letter
- No Special Characters

Sorry, you have used that password
Within the last six months...

(In fact, that is literally
the password you have been trying
to remember for the last 2 days
In a fair world, you would
Be able to log in now.
We are way past that now, though)

Please choose a new password:

I see you have used your password
To vent your frustration with our
Login system

Childish...
but other than that,
It's legit.

Your password
Has been
Reset!

Your new password will take effect
Sometime within the next 72 hours.

Why are you crying?
