# **x<sup>w</sup>əlšucid stilib - x<sup>w</sup>əlšucid Songs**

## **By Zalmai ʔəswəli Zahir**

### **Introduction**

The songs on this cd were created by Zalmai ʔəsweli Zahir for the preservation of the x<sup>w</sup>əlšucid, Puget Salish, Native American language. These songs are public domain, meaning that anyone has the right to sing them.

It is requested, though, that these songs be sung correctly, and that the originator and meaning of these songs be remembered. In this way, the x<sup>w</sup>əlšucid culture and language will live on.

It is hoped that you will thoroughly enjoy these songs.
